

Kappa Sap

Red Algae Sap Extract

0-0-20

COMPATIBILITY: Always jar test new combinations for compatibility prior to field mixing.

Note

Do not store in diluted form. Keep sealed in air and moisture tight container. Place opened sacks in sealed plastic bags preventing moisture contamination and caking.

Directions

Orchards and Vineyards

Spray 1/2-2 lbs. Kappa Sap mixed in 100 gallons of water per acre. Begin 4-6 spray sequence at pink-bud or half leaf emergence and repeat at 7 to 10 day intervals. May be tank mixed with most orchard and vineyard spray materials.

Row Crops

Spray 1/2-1 lbs Kappa Sap mixed in 100 gallons of water per acre on emerging new growth and at other plant growth stages when an immediate nutritional boost may be beneficial to growth, production and quality.

Ground Application

Kappa Sap may be applied dry or preferably in solution at 1/2-2 lbs per acre. Solution can be shanked in at time of seeding field crops. Apply during field transplant to aid in the reduction of the transitional periods. Kappa Sap will not clog misters, perforated drip irrigation tape, or spray rigs.

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.

SOLUBLE DRY POWDER

Kappa Sap is produced through a patent pending process that captures only the Sap from the stalks of a select species of Red Algae. This species of Red Algae has been selected for its unique nutrient content. Much of these nutrients are concentrated in a plant available form within the stalks of the plant. Use through all plant life stages to aide in early growth, aide fruit set, increase protein production and brix levels.
